## ***Drive Sober or Get Pulled Over* begins Friday**

JAMESTOWN, N.D. – Law enforcement across the state will have extra patrols to remove impaired drivers from the road during *Drive Sober or Get Pulled Over* from Dec. 13 – Jan. 31, 2025.

In 2023, one alcohol-related crash occurred about every 13 hours and an alcohol-related traffic death occurred about every 10 days. Alcohol-related crashes, deaths and arrests are 100% preventable by driving sober or finding a sober ride.

"Celebrating the season is about making memories, not regrets. Take responsibility and plan for a safe ride home. Be like most North Dakotans who choose safety and always drive sober or find a sober ride," said Barnes County Sheriff Randy McClafin.

This campaign is part of the [Vision Zero](#) strategy to eliminate motor vehicle crash fatalities and serious injuries on North Dakota roads.
