Epidemic**
Andy Pilgrim, Professional Racecar Driver and Founder
of the Traffic Safety Education Foundation

“Traffic Safety is an area where this amazing country has fallen drastically and tragically behind many other countries. We are killing tens of thousands more people on U.S. roads than should be happening; especially when we compare to other countries that we were equally safe

as or better than, just 25 years ago. It's a very sad political and economically driven mess." – Andy Pilgrim
