Drive Sober or Get Pulled Over Begins December 14

Ride Sharing App Providing Discount Vouchers

Minot, ND- The statewide enforcement campaign *Drive Sober or Get Pulled Over* begins December 14 through January 31. Law enforcement across the state will have extra patrols to remove impaired drivers from the road.

In North Dakota in 2017, approximately 1 in 6 adult arrests were for Driving Under the Influence (DUI). Arrests for DUI are 100% preventable if a driver would take personal responsibility to drive sober or plan to have a sober ride.

To encourage drivers to find a sober ride, the North Dakota Department of Transportation, through a grant from the Governor's Highway Safety Association and the ride-hailing service Lyft, will offer \$10 off vouchers on the first 1,000 Lyft rides beginning December 14 to December 31 from 5pm to 2am. Riders can use the code "VisionZeroND" once per ride, but there is no limit on the number of times the code can be used. The Lyft app is available in your app store.

"Ride-hailing services make getting home safe so much easier," says Ward County Sheriff Bob Barnard. "It only takes a few minutes to download the app for Lyft and set up your account but driving under the influence can lead to a lifetime of consequences. Take responsibility, use the service and save \$10 with this limited time voucher this holiday season."

This [campaign](#) is part of the Vision Zero strategy to eliminate motor vehicle crash fatalities and serious injuries on North Dakota roads.

Visit the [North Dakota Crash Memorial](#) wall to view memorials built on the hope of preventing another death on North Dakota roads.
