

# VISION ZERO

Zero fatalities. Zero excuses.

## *U Drive. U Text. U Pay. Begins Statewide on April 1*

*Devils Lake, ND-* Texting and driving is illegal in North Dakota and law enforcement across the state will have extra patrols to enforce the state's distracted driving law from April 1-30 for the nationwide *U Drive. U Text. U Pay.* campaign.

Last year, more than 370 citations were issued in North Dakota to distracted drivers during the state's two enforcement periods (April and September). Distraction is more than just taking your eyes off the road. Distracted driving also includes taking your hands off the wheel or taking your mind off driving. Distracted driving takes on many forms; however, texting is one of the most common across the nation

"When you drive distracted, you are putting yourself and everyone else at risk," said Devils Lake Police Chief Joe Knowski. "Use technology to beat technology and download a do not disturb app and use it so you drive distraction free."

This campaign is part of the Vision Zero strategy to eliminate motor vehicle crash fatalities and serious injuries on North Dakota roads.
