Click It or Ticket Enforcement Period Begins

Dickinson, N.D.- Seat belts save lives and are the single most effective way to prevent injury and death in a motor vehicle crash. Law enforcement across the state will have extra patrols from November 1 through December 12 for the *Click It or Ticket* campaign enforcing the state seat belt law.

Preliminary data in 2019 indicates of the fatalities that have been seat belt eligible, 52% were not wearing it.

All vehicle occupants should take personal responsibility when traveling and always buckle up. Every trip. Every time.

“Your seat belt is one of the most important safety features in your vehicle,” says Adams County Sheriff Travis Collins. “It protects you from injuring other occupants and from being ejected in a crash. Be sure to always wear your seat belt.”

This campaign is part of the [Vision Zero](#) strategy to eliminate motor vehicle crash fatalities and serious injuries on North Dakota roads.
