Law Enforcement Reminder: *Drive Sober or Get Pulled Over*

Minot, ND- Beginning December 13 until January 31, law enforcement across the state will have extra patrols to remove impaired drivers from the road as part of the *Drive Sober or Get Pulled Over* campaign.

The holiday season is known for bringing family and friends together for celebrations, and with it the temptation to drive impaired. Alcohol and drug-related motor vehicle crashes, fatalities, and arrests for DUI are 100% preventable – no matter the season. Drivers should always take personal responsibility by driving sober, designating a sober driver, or using a ride-hailing service.

Preliminary data in 2019 shows nearly 43% of North Dakota motor vehicle fatalities involved alcohol, a 10% increase from the same time period in 2018.

“Ride-hailing services make it easier than ever to get a sober ride home,” says Burlington Police Chief Keith Crabb. “Take responsibility for yourself and others by always driving sober or always designating a sober driver.”

This campaign is part of the Vision Zero strategy to eliminate motor vehicle crash fatalities and serious injuries on North Dakota roads.
