Beginning March 1: *Drive Sober or Get Pulled Over*

Fargo, ND- Preliminary data for 2019 shows 42% of all vehicle fatalities were alcohol-related. In order to save lives and remove impaired drivers from the road, law enforcement across the state will have extra patrols for *Drive Sober or Get Pulled Over*, beginning March 1 through March 31.

Alcohol and drug-related motor vehicle crashes, fatalities and arrests for DUI are 100% preventable. Many lives would be saved in North Dakota each year if every driver consistently makes the choice to drive sober or designate a sober driver.

“If you plan ahead for a sober ride, you won’t have to worry about meeting a member of law enforcement during *Drive Sober or Get Pulled Over*,” said Fargo Police Chief David Todd. “The message of this campaign is very clear, if you choose to drink and drive, we will pull you over.”

This campaign is part of the Vision Zero strategy to eliminate motor vehicle crash fatalities and serious injuries on North Dakota roads.
