***Drive Sober or Get Pulled Over* Enforcement Campaign Kicks-off March 1.**

Jamestown, N.D. – In 2023 in North Dakota, 36% of fatal traffic crashes were alcohol-related. Through the month of March, law enforcement across the state will have extra patrols to remove impaired drivers from the road during *Drive Sober or Get Pulled Over*.

Alcohol-related crashes in North Dakota occur about every 13 hours, but each of these crashes are 100% preventable by driving sober or finding a sober ride.

"*Drive Sober or Get Pulled Over* is a good reminder that the cost of using a taxi is nothing compared to the cost of a bad decision. Keep yourself and others safe, always drive sober or find a sober ride," said Stutsman County Sheriff Chad Kaiser.

This campaign is part of the [Vision Zero](#) strategy to eliminate motor vehicle crash fatalities and serious injuries on North Dakota roads.

Visit the [North Dakota Crash Memorial Wall](#) to view memorials built on the hope of preventing another death on North Dakota roads.
