***Drive Sober or Get Pulled Over* begins March 1**

Minot, ND- Alcohol and drug-related motor vehicle crashes, fatalities and arrests for driving under the influence are 100% preventable, yet 42% of motor vehicle fatalities in 2019 were alcohol-involved.

To save lives and remove impaired drivers from the road, law enforcement across the state will have extra patrols for *Drive Sober or Get Pulled Over*, from March 1 through March 31.

Many lives would be saved in North Dakota each year if every driver consistently makes the choice to drive sober or designate a sober driver.

“When you choose to drive sober, you’re taking personal responsibility, and you’re also helping reach the goal of Vision Zero,” said Ward County Sheriff Robert Roed. “It will take all of us to reduce serious injuries and fatalities from motor vehicle crashes.”

This campaign is part of the Vision Zero strategy to eliminate motor vehicle crash fatalities and serious injuries on North Dakota roads.
