U Drive. U Text. U Pay. Begins Statewide on April 1

Devils Lake, ND - Law enforcement across the state will have extra patrols to enforce the state's distracted driving law from April 1 – 30 for the national ***U Drive. U Text. U Pay.*** campaign.

Distracted driving is illegal and dangerous. Distraction is more than just taking your eyes off the road. It also includes taking your hands off the wheel or taking your mind off driving; however, texting is one of the most common driving distractions across the nation.

Nearly 300 citations were issued in North Dakota for distracted driving during the enforcement period in September 2020.

“Get an app, borrow a passenger’s thumb to do the messaging for you or put your phone where you can’t see it. Pick a tactic, stick to it and get to your destination safely,” said Devils Lake Police Chief Joe Knowski.

Preliminary crash fatalities in 2021 are trending higher than previous years with 21 fatalities to date, making this campaign a vital part of the Vision Zero strategy to eliminate motor vehicle crash fatalities and serious injuries on North Dakota roads.

Visit the [North Dakota Crash Memorial Wall](#) to view memorials built on the hope of preventing another death on North Dakota roads.
