## ***Speeding isn't just aggressive driving, it's deadly driving***

BISMARCK, N.D. – Law enforcement across the state will have extra patrols enforcing speed limits and removing aggressive drivers from the road as part of the *Obey the Sign or Pay the Fine* enforcement campaign April 22 – May 22.

In 2021, nearly 27% of motor vehicle fatalities in North Dakota were speed-related. Speeding and/or aggressive driving is defined as speeding, driving too fast for conditions, following too close, or operating a vehicle in a reckless, negligent or aggressive manor.

North Dakotans should take personal responsibility while traveling by obeying all posted speed limits and driving according to road conditions. Remember to plan ahead and allow extra time when traveling so everyone can make it to their destination safely.

"Aggressive drivers can follow too closely and change lanes frequently without signals. They are a danger to themselves and everyone else," said Bismarck Police Chief Dave Draovitch. "Make every attempt to get out of the way if you are confronted by an aggressive driver."

This campaign a vital part of the [Vision Zero](#) strategy to eliminate motor vehicle crash fatalities and serious injuries on North Dakota roads.
