

Zero fatalities. Zero excuses.

NEWS RELEASE | **FOR IMMEDIATE RELEASE** | April 14, 2022

Speeding isn't just aggressive driving, it's deadly driving

MINOT, N.D. – Law enforcement across the state will have extra patrols enforcing speed limits and removing aggressive drivers from the road as part of the *Obey the Sign or Pay the Fine* enforcement campaign April 22 – May 22.

In 2021, nearly 27% of motor vehicle fatalities in North Dakota were speed-related. Speeding and/or aggressive driving is defined as speeding, driving too fast for conditions, following too close, or operating a vehicle in a reckless, negligent or aggressive manor.

North Dakotans should take personal responsibility while traveling by obeying all posted speed limits and driving according to road conditions. Remember to plan ahead and allow extra time when traveling so everyone can make it to their destination safely.

"If you're speeding, it extends the distance traveled before the vehicle can stop and increases your chances of a dangerous outcome," said Minot Police Chief John Klug. "Reduce the risk of crashing into vehicles and pedestrians by taking your time and going the posted speed limit."

This campaign a vital part of the [Vision Zero](#) strategy to eliminate motor vehicle crash fatalities and serious injuries on North Dakota roads.

Visit the [North Dakota Crash Memorial Wall](#) to view memorials built on the hope of preventing another death on North Dakota roads.
